Please visit [our website](#) for more information [or download an online contract & application for this pet.](#)

Kiko is such a handsome man. Kiko is approx 10 months old and would work better with a home that has older children. He can be a little stand offish until he knows you then look out you will be bombarded with kisses.

You can meet many of our pets at PETCO in Pearland on Saturday and Sunday from 12:00 – 5:00pm. PETCO is located in the Kroger Shopping Center at the corner of FM 518 @ Barry Rose.

Brazoria County Humane Society is a non-profit, no-kill animal rescue organization. [www.brazoriacountyhumane.org](http://www.brazoriacountyhumane.org).
